Lösungen:

One day Peter came home from school.

Peter went in his room and put the school things on the table.

He wanted to start with his homework.

After ten minutes his father entered the room.

"Dad, can you help me with my German homework?" Peter asked.

"Yes, of course. My German is brilliant. Let me have a look at your exercise-book." his father answered.

Peter gave him his German exercise-book.

The next day in school Peter thought: "Oh dear! Perhaps my homework is so good that my teacher will know that my father wrote it."

But Peter was wrong.

The teacher looked at the homework.

"Oh Peter! Your homework is completely wrong." the teacher said.
